Addendum

1) Dr. Dennis Denenberg brings his own book, *50 American Heroes Every Kid Should Meet*, with him the first time he presents in a district. AIHE will contact the district in advance to determine the number of books to be ordered if applicable and will bill the district later.

¹ For year one and for all subsequent years those books which are required reading are noted in bold text. The other titles may be purchased at the discretion of the project director if the budget allows. Project directors will need to provide AIHE with the titles and quantities of books to be ordered so that we may place the order for you and ship them to the location of your choice.

² All teachers should read chapter 8 prior to their trip to Gettysburg. Additionally, grant project directors should obtain the movie *Gettysburg* for viewing on the bus ride for the Gettysburg trip (if applicable to their grant).
